Fitzgerald Pays Death Penalty for Murdering Little Janet Wilkinson

We quote comparative prices in our advertising and are pleased to have you judge these comparisons.

CHICAGO, Oct. 17.—Thomas H. Fitzgerald was hanged in the county jail here today for the murder of Janet Wilkinson, 6 years old. The trap was sprung at 2:25 a.m.

Fitzgerald confessed to the murder of the little girl after her body had been found hidden in a coal bin in the basement of his home, after a frantic five day search. The crime was committed June 22.

Both Governor Lowden and Federal Judge Landis refused to grant Fitzgerald's plea for a reprieve.

CLAIMS OKLAHOMA RATES ARE UNFAIR

McMaster Man Testifies at Interstate Commerce Hearing, Conducted on Packers at Memphis.

GROCERS ALLEGUE INJUSTICE

Packers Benefit By Discrimination in Charge Made By Many Witnesses at Hearing.

MEMPHIS, Tenn., Oct. 17.—Testimony was heard today at the hearing here before Mr. E. G. Bartels, an examiner on the Interstate Commerce commission, on the complaint of the Southern Wholesale Grocers association, alleging discrimination in favor of the five big meat packers who similar to that given by witnesses who testified during the first two days of the hearing, that preference of the packers to the grocers. It was expected that the hearing here will be concluded late today.

H. G. Struble, McAlester, Okla., was among the witnesses who testified today. Mr. Struble charged that rates were discriminatory and presented documentary evidence in support of his contention.

Announcement was made that a decision on a motion of an attorney representing Morris & company seeking to have the evidence of Dr. Lewis H. Haney, director of the bureau of research of the Southern wholesale Grocers' association withdrawn from the record on the ground that it was largely hearsay, will be decided when the hearing is resumed in Chicago next week.

FRUSTRATE BOMBING ATTEMPT AT SEATTLE

String to Bomb Is Cut When Member of Household Thinks Joke Is Intended; Finds Internal Machine.

SEATTLE, Wash., Oct. 17.—An attempt to destroy the home of Mrs. Eliza Ferry Leary with a bomb left on the doorstep at 7:30 o'clock last night was frustrated by Pierre P. Ferry, Mrs. Leary's brother, and his wife, Mrs. Harry Building company, when he believed a joke was being played and cut the string attached to the bomb.

Three hours later Mr. Ferry's curiosity regarding the package led him to remove the outer wrappings, at which time the sight of the internal machine caused him to notify the police.

The package contained a half pint glass filling with black powder, and sealed with paraffine over the top through which a detonator had been pressed. Fastened to the edge of the glass and set for action was a mouse trap arranged so as to strike the detonator.

Mr. Ferry is a son of the late Elihu P. Ferry, first governor of the state of Washington.

	5,286	4,237

HOUSE WILLING TO TESTIFY

Colonel Will Tell What He Knows When His Health Permits.

WASHINGTON, Oct. 17.—Col. E. M. House, through a personal representative sent to see Senator Lodge, has signified a willingness to appear before the Senate foreign relations committee when he has recovered from his illness and testify as to what he knows of the peace negotiations at Versailles and Paris, in which he was such an active participant.

IS CAR SHORTAGE IMAGINED?

Colonel Will Declares Enough Cars Are Idle to Fill Need.

Special to The World.

OKLAHOMA CITY, Oct. 17.—Asserting that there is no car shortage, the prominent general banker and president of the Shapley traveling salesman, declared to a letter to the state corporation commission, that the difficulty now being experienced in securing cars is due to inefficiency and mismanagement. The writer insists that recently he counted more than 100 "empties" in the Shawnee yards and asserts that there are more empties standing on driveways in the territory he regularly covers than at any time in several years he has been on the road.

ENGINEER STUDENTS TO TOUR SCHOOLS AT O. U. WILL INSPECT MANY FAMOUS ENGINEERING PROJECTS.

Special to The World.

OKLAHOMA CITY, Oct. 17.—A tour of inspection of several large engineering projects is being arranged for members of the senior class in civil engineering at the University of Oklahoma by H. C. Terrell, director of the school.

The Mississippi river dam and hydro-electric plant at Keokuk, Iowa, the water bridge and dam at St. Louis, Mo., hydroelectric power plants at Tulsa and the University of Kansas power plant at Lawrence will be visited.

WOULD DEFER DEPORTATION

State Department Holds It Indefinable to Order Others to Leave.

WASHINGTON, Oct. 17.—The use of deportation, the extreme punishment of alien enemies, has been suspended by the State Department. It says when it comes to deporting aliens in order to avoid military service during the war, the chairman of the house immigration committee was informed a bill to do so was introduced in Congress.

Deportation of such aliens is proposed in several bills now pending in Congress. An award will be made.

Kay County Bank Deposits Large.
